

Fitness Class Definitions

Abs: Abdominal exercises that increase core stability while improving back strength.

Aqua Aerobics: Aerobics in a fun filled aquatic environment. Water is ten times more resistant than air yet offers added support for the joints making it a great workout for the beginner to the advanced.

Body Bar: Body sculpting with a weighted fitness bar. Increase strength as well as stability and balance. One bar. Infinite workouts.

Circuit Training: Total body workout to upbeat music alternating between weight training, cardiovascular endurance and abdominal exercises. Workouts change daily.

Core Training: Non-aerobic muscle toning class with an emphasis on core strength.

 **GROUP BLAST** : Discover new heights with Group Blast! Get your cardio fix with 60 minutes of step training. Improve your fitness, agility, balance, and strength with athletic exercises that utilize the step in dynamic new ways.

 **GROUP POWER** : This barbell program strengthens all your major muscles in a motivating environment with energetic music and instructors. With simple movements such as squats, lunges, presses and curls, **Group Power** is for all fitness levels.

 **GROUP RIDE** : Everyone finishes first in Group Ride! This cycling program is geared for anyone that can ride a bike. Motivating music, awesome instructors and an inspiring group environment lets you Ride On!

Hi/lo Body Sculpt: Floor aerobics either high or low impact (your choice). Body Sculpting with hand held weights or resistance bands during 2nd half of class.

 **R30** : Burn calories, improve muscular endurance, and build cardio fitness as you ride with surges, short intervals, power and end with a rush!

Senior Aquatics: Fitness and fun in an aquatic environment specifically designed for our senior members.

Senior n Fit: Low impact aerobic exercises geared for beginner and intermediate levels. Focusing on strength, stability training and fun cognitive activities. No floor work with chair variations available.

Stott Pilates: Mat based exercises that strengthen core muscles (ab, spinal, leg). These exercises also lengthen muscles and increase flexibility.

STRONG by Zumba: A non-dance unique workout with high intensity interval moves using only your body weight. In a one-hour class you will burn calories while toning arms, legs, abs, and glutes.

Yoga: Hatha, the most common form of yoga taught in the United States that balances mind and body through physical exercises (poses) and controlled breathing. Improves flexibility, strength and balance.

 **ZUMBA** : Zumba® is a cardio-based Latin inspired dance /fitness class. This class is dynamic, fun and a effective fitness system.
